

"Gentlemen,—In reply to your letter requesting my opinion upon Patent Carving Machinery, I have much pleasure in stating from an experience of more than two years, in its application to the production of the wood carvings of the House of Peers, and other apartments of the New Palace, at Westminster, that I am enabled to make the most favourable report concerning it, and add that it has more than justified the favourable terms in which I recommended it in my letter to the Committee of the House of Commons for adoption.—I remain, Gentlemen, yours faithfully,
"CHARLES BARRY."

"Messrs. Taylor, Williams, and Jordan."
